

## 2011 Epic Oregon Relay Registration Kick Off

We know how hard team captain's work to put together a relay team and make sure everyone is prepared and has an epic time. As a thank you and a reward for the effort we'd like to announce that every team captain that registers for the 2011 Epic Oregon Relay will receive a *free pair of running shoes* from \*The Sports Authority.

We also know it can be difficult for team captain's to collect all the money for the entire team fee in time to lock in at the early registration price so we're **making it a little easier**. With a \$100 deposit you can secure your team's spot at the price you want. Full payment is not due until months later which gives you more time to round up your team and collect the remaining team registration fee.

For a pricing breakdown and fee schedule please continue to the next page.

**SPORTS  
AUTHORITY.**

*\* Shoes are selected from a pre-determined set of Sports Authority shoes and shipped only after full payment of team registration is received.*
